Summary: Graduate of the Faculty of Architecture and Design at Central Asian University, with an interest in creating design concepts for build environment. Experienced in Architectural concept development, visual communications and 3D visualization

EDUCATION

School № 17
Tashkent, Uzbekistan - 2011-2022
GPA: 4.7/5

Honors: Winner of the English and Mathematics Olympiads (city level).

BA in Architecture and Design, Central Asian University
Tashkent, Uzbekistan: 2022 – 2026
Average GPA: 3.7/4

Honors: Co-founder, co-director, and active member of “Arts and Crafts Society” university art community

WORK EXPERIENCE

Internship as a Junior Architectural Designer and design visualizer at “TataLab”
Tashkent, Uzbekistan - May 2025 – September 2025

Collaborated with senior architects on conceptual designs for residential, commercial, and cultural projects, integrating sustainable and user-centric approaches. Created detailed 3D models, renders, and presentation materials

Junior Architectural Designer at “AntiSeismic”
Tashkent, Uzbekistan - August 2025 - September 2026

Worked with senior architects on conceptual designs for, commercial, and cultural projects. Contributed to brainstorming sessions, offering creative input on design strategies, and worked closely with engineers and consultants to ensure project coherence. Conducted in-depth research on innovative materials and construction methods, emphasizing sustainable solutions for ongoing projects.

Intern Design Visualizer and Draftsman, Akfa Research and Development
Tashkent, Uzbekistan – June 2024

Visualization of provided design concepts, editing and development of design solutions. Work in 3D and 2D.

Installation Artist, Central Asian University
Tashkent, Uzbekistan – February 2024 – present.

As part of the project created by the university, each month is dedicated to a specific theme. My task as a co-director of the “Arts and Crafts Society” was to create and implement art works dedicated to a specific theme. Together with the team, we launched a large-scale photo project, created installations and various graphic posters.
